

November 19, 2021

To the Residents of Leyden Rock and Candelas Neighborhoods:

Beginning Monday, November 22, 2021 JBS Pipeline LLC will be mobilizing heavy equipment in to the area of the S. Boulder Canal on State Highway 72 for the Bridge Replacement Project.

Heavy construction will begin in the area on Monday, November 29, 2021 with the road closure starting Tuesday, November 30, 2021. This construction will include a full closure of east and west bound State Highway 72 for a period of approximately 7 days for the installation of a box culvert under the roadway, detours will be in place for this duration. To prevent traffic buildup and delays on W. 82nd Ave at Highway 93, **no** left hand turn will be allowed during the time the detour routes are in place.
